Kiewit - Turner
a Joint Venture

Progress

Exterior curtain wall on the east facing zig zag wall of the Concourse between DAT and IBS.

Electrical panels inside the Clinic Building North data center.

Veteran Spotlight

On November 12, 2015, Kiewit-Turner hosted a veteran appreciation program and barbecue lunch on the job site. The program included the VA, USACE and Kiewit-Turner veterans working on the project. Guests from the United Veterans Committee of Colorado joined all of the job's subcontractors for the 1,000 person event.
